

Clubmans rallying has just got a whole lot better!

North of England Tarmac Championship 2018

Why register with us.

With the new season looming around the corner a lot of behind the scenes work has been designed by a Competitor for the competitors in the championship

The 2018 season will see the North of England tarmac championship advance its steps to reward their registered Drivers and Co Drivers in all 5 classes.

HOW? you ask yourselves

Every 1st and 2nd placed driver and Co driver in each class at every event of our Championship will receive a gold engraved trophy, this will be presented after each main event awards ceremony, And doesn't change the out come of the main rally results in any way.

IT GETS BETTER!

The drivers and co drivers will write their name on a card and pop it in the box, and at the North of England Tarmac Championship Ceremony, a card will be picked out and the name on that card will win a fully paid entry on the Xmas Stages 2018 or Knockhill Stages 2019.

The point scoring system remains the same. The joker will remain, so use it wisely.

HAPPY 2018 Season
